400 YEAR OLD CONFUSIONS IN OUR FIVE MAIN ENGLISH BIBLES

With comparatively few exceptions, every English Bible that we read today is only a translation of a very early **Roman Catholic Bible** with 4 of its original books missing. In fact, the ancient **Latin** and **Greek** versions of our current 21st century Bible books were ratified by a group of **Rome** based Christian churches toward the end of the 4th century !

Spoken Hebrew is the third language that is associated with our original biblical writings. Spoken Hebrew was the **first** of the three main Bible languages. Among other things, spoken Hebrew reported the fabled foundation stories of Adam and Eve and of Noah's Ark. **Written** Hebrew on the other hand arrived much later : it first occurred as **Paleo** Hebrew in the archaeological records of around 1000 BCE. This was roughly the time of the legendary King David who is reported to have written the **Book of Psalms**.

In the Old Testament, all of the Bible books prior to the **Book of Psalms** had to have survived for some **450** years as only **word-of-mouth** communications from generation to generation.

In the New Testament : All of its books, also existed for some **30 to 90 years** as very changeable **word-of-mouth** stories before they were first written in the Latin and Greek languages that were the **commercial** languages of that era. With only a few modifications, it was this **collection** of Latin and Greek books that was (1) finally ratified by a group of **Rome** based Christians in 397 CE and then later (2) translated into our English Bible for **King James** of England in 1611 CE.

Even today, some **82%** of the people who regularly read an English Bible will reach for this translation. Most of our 21st century Christian readers however, are blissfully unaware of how blasphemously incorrect and **misleading** this **King James** Bible has remained since 1611CE.

THE SAME TITLE OF LORD FOR BOTH JESUS AND HIS FATHER ?

The 17th century scripture constantly confuses its readers by referring throughout both to **JESUS** and to his Father as "**THE LORD**". The **title** of the supreme **GOD** who powered all the miracles for His Son **JESUS** and who also raised him from the dead should never have been **LORD**.

Even today, "**LORDS**" are a dime a dozen in the kingdoms on planet earth. There are some 200 lords in Great Britain alone. So the term "**lord**" has always been a title for a person who has held a leadership position **under** the dominion of a distinctly human king. In this sense, the use of the title of merely "**lord**" for the "**GOD**" who is believed to have **created** the King, probably lies somewhere between a blasphemy and an imbecility.

But in the days of **King James** the whims and wishes of the King of England were very largely the dictatorial **law** of England too. And if you were working for our 17th century English monarch, he not only paid your wages, he was also in a position to seriously 'influence' your life in almost every other vital way. So to flatter or appease the king of England of those days was a distinctly advisable policy. This would have been especially the case for any employee who had been advised to do whatever possible help to 'counter' the spread of the many **ruinous rumours** about the king's **homosexual and bi-sexual depravity**.

JAMES A BROTHER OF JESUS ?

The 17th century need to flatter a notorious and sexually depraved English monarch also helps to explain how the *JESUS* of our English Bibles managed to acquire a “brother” whose name was James ... when the three original languages still clearly present this brother’s name as being either Jacobos (Greek) or Ya’akov (Aramaic) or Iacobus (Latin)

In all probability too, the need for our *King James Bible* translators to “play things safe” by flattering the crown, impelled the other brainless mistranslations of that time. For example, almost all of our modern English Bibles also feature a complete *book* that is presented as having been written by an author called James (!)

These introductory absurdities represent only the beginning of the many more confusions that still persist within our 2024 English Bibles

THE NAME OF GOD THAT WAS GIVEN TO MOSES WAS YAHWEH

YAHWEH is the name scripturally given by the *GOD* of our Bible to *MOSES* and with these reported words: “*This is my name forever ... the name you shall call me from generation to generation*” (Exodus 3:14)

And for around the next *1000* years, all the *Hebrew* authors of the Old Testament through to the *Book of Malachi* refer reverently to *YAHWEH* as the name of *GOD* no less than *6824* times! Following are the Old Testament books where the name of *YAHWEH* is clearly *worshipped* by all of the authors.

**Genesis Exodus Leviticus Numbers Deuteronomy Joshua Judges Ruth Samuel Kings
Chronicles Ezra Nehemiah Esther Job Psalms Proverbs Ecclesiastes Solomon Isaiah
Jeremiah Lamentations Ezekiel Daniel Hosea Joel Amos Obadiah Jonah Micah Nahum
Habakkuk Zephaniah Haggai Zechariah Malachi**

But in 1611CE this constant *worship* of the name of *YAHWEH* that had persisted for over *1000 years* throughout Old Testament texts, was inexplicably **eradicated** by those who did the translation work for *King James* (!)

Thankfully : there has been at least one globally noteworthy correction published since : The 2014 version of the *King James Bible* that was re-edited by Ann Spangler as **THE NAMES OF GOD BIBLE** (and then published by Revell) fully details all the *6824* mistranslations.

THIS ORIGINAL (1611CE) BUNGLER WAS FOLLOWED BY 5 MORE BUNGLES !

... THE 5 MOST POPULAR BUNGLED BIBLES IN THE WORLD ...

Since the publication of the *King James Bible* the world’s publishing companies have printed some *5 billion* to *7 billion* Bibles in almost 4000 languages. Every year the Bible is the world’s best selling book. Currently, the five best selling *English* Bibles are:

The King James Version **55%**
The New International Version **19%**
The New Revised Standard Version **7%**
The New American Bible **6%**
The Living Bible **5%**

Currently too, the main **BUNGL** throughout all five of them is as follows:

NONE OF THESE BIBLES MENTIONS THE NAME OF YAHWEH

It is a truly **DUMB HEAP** of mistranslated Bibles about **GOD** that deliberately mistranslates His **NAME** 6824 times ! And most of the estimated 2.6 billion Christians throughout the world need to be re-educated by three simple truths. These truths are:

- (1) The name of the **GOD** who powered all the miracles for **JESUS** was and is **YAHWEH**.
- (2) The name of the **GOD** who raised **JESUS** from the dead was and is **YAHWEH**.
- (3) The name of the **GOD** whom **JESUS** told the world to **worship** was and is **YAHWEH**.

EXECUTIONS TOO FOR TRIVIAL “ SINS ” IN BOTH TESTAMENTS

Since especially the late 20th century, our English Bible of some 750,000 words has been increasingly referred to as the word **of God** when it has simply **never** been any such thing. At the very best our Bible has been merely the word **about God**.

The information to support these corrections of our increasingly popular and **global** Christian catchery is just so simple to find. Any Bible at all has the information that we need : we only need to **open** it and read the following:

- (1) the bits about the **many executions** of Hebrew people for trivial offenses
- (2) the bits that fail to condemn **sexual depravity** and
- (3) the bits endorsing the **genocide** of seven entire nations of non-Hebrew people

EXECUTION IN THOSE DAYS WAS BY PUBLIC STONING

In Exodus, Leviticus, Numbers & Deuteronomy

- 1** People who simply worked on the Sabbath day were **executed**.
- 2.** Male homosexuals were **executed** too.
- 3.** Men and women who committed adultery were **executed**
- 4.** People participating in any non-Hebrew religious practices (witchcraft) were **executed**.
- 5.** Even simply cursing either God or your parents got you **executed** !

EXECUTION FOR SIMPLY SAYING THE NAME OF YAHWEH OUT LOUD IN PUBLIC

6. Finally ... between the book of **Malachi** and the New Testament ... there came the height of Hebrew **religious execution** in practice. By that time, the era of Hebrew rule by its Kings had come to an end, and the year was approximately 450 BCE. This was the era during which the Hebrew people were governed by a murderous combination of (a) its **religious** (or rabbinical) class who were also (b) its **rich** class as well as (c) its **reading & writing** class. And in those days, only up to 3% of the Hebrew people could read.

After the book of **Malachi**, the **law** was declared that no-one in the future was to be considered ‘holy’ enough before **GOD** to say the **NAME** of **YAHWEH out loud in public**. In future, the word **YAHWEH** in all **public** speech had to be **replaced** by the words **HASHEM** which means ‘*THE NAME.*’ Persons overheard abusing this new law were to be **executed** !

... .. and this is precisely how ... some **1000** years after MOSES, the *NAME* of the omnipotent GOD OF ZION (*YAHWEH* Himself) was eventually **obliterated** from the MOUTHS and MINDS of the Hebrew people.

With personal execution as a statutory consequence for speaking it aloud in public ... it would not have been more than a couple of degenerations before any **PRAYING ALOUD** of the name of *YAHWEH* became morally regarded by the Hebrew people as a **SIN** . Even today, devout Jewish people will still **read** the the word *YAHWEH* but both **say** and **think** the words *HA-SHEM* . It is pertinent to note too, that it was mainly this '*crime*' that impelled the Scribes and Pharisees of the **New Testament** to agitate for the crucifixion of *JESUS* by the then occupying **Roman military**.

Did this new law by the Hebrew rulers to **execute** persons simply praying to *YAHWEH* bring down a **curse** on the Hebrew people? In 332 BCE and in 63 BCE the land of the Hebrew people was occupied by the **militaries** of Alexandra the Great and of Rome respectively. I have often wondered if *YAHWEH* would have permitted these military defeats if the Hebrew people had not stopped praying like MOSES did.

7. The main **execution** reported in the **New Testament** is the one that results in the deaths of a man and wife team named Ananias and Sapphira. According to the scriptures, these two people were executed (presumably) by *YAHWEH* because they failed to add their money to the community collection plate. ACTS 5:1

TWO OTHER BLATANT OLD TESTAMENT PROBLEMS

SEXUAL PROMISCUITY by the Hebrew kings escaped condemnation. *King David* had at least 8 wives along with a collection of concubines. *King Solomon* reportedly had as many as 700 wives and 300 concubines. If this were true this would make Solomon the most *sexually depraved male* in human history.

GENOCIDE: The scripture in the book of *Deuteronomy* instructs the Hebrew people to utterly destroy the people (and sometimes livestock too) of **seven** entire nations who were named as the *Hittites*, the *Amorites*, the *Canaanites*, the *Perizzites*, the *Hivites*, the *Jesubites* and the *Girgashites*. (Deuteronomy 2:31-34 7:1-3 13: 5)

This is **murder** on a truly grand scale within the ancient world ... when **five** times elsewhere in the scriptures we are presented with the *Ten Commandments* whose sixth instruction is as follows ...

THOU SHALT NOT KILL

THE POWER THAT WAS IN CHRISTIANITY IS NO MORE

Almost everywhere, modern Christianity has lost the power that it is *reported* to have had during the lifetime of *JESUS*. Very few modern churches have a reputation for healing the sick, even fewer are casting out demons and simply none is raising the dead.

I believe that part of the reason for what appears to be **the divine withdrawal** of our prayer power could well be that the *NAMES* of both of the original *TEAM MEMBERS* of Father and Son simply never get *mentioned* in the prayers of modern Christian churches. Literally *every* modern Christian church hears the name of *JESUS* constantly. But very few churches *ever* hear the *NAME* of his Father *YAHWEH* as well ... **and after 2 millennia of Christian prayer failures ?**

We should never forget, that even with our 17th century *King James Bible* scriptures as badly selected they were, it is *still* clear that *JESUS* by himself did *NOT* work any miracle at all.

It was *JESUS* himself who told us of his own **powerlessness** with a few scriptures that are similar to *“Of myself I can do nothing ... it is my father who does the work.”*

And as Christians, we are so often told that it was *JESUS* alone who said the words *“Lazarus! Come out of there !”* But we are **never** told that it was *YAHWEH* who *put the life* back into the dead body.

THE EARLIEST CHRISTIAN TEAMS HAD PRAYER POWER

The original and truly **miraculous** Christianity spread throughout the then known world without the help of basic reading skills.

As mentioned earlier, during the life of *JESUS* only the 1% to 3% of people within the *ruling rich, rabbinical & religious* classes were able to read. And it was these groups that over three years managed to persuade the *Roman military* to crucify the miracle working but *doctrinally embarrassing* pest called *JESUS* ... a mere carpenter in the *working* class.

Our basic modern English Bibles contain around 750,000 words while our *study* bibles can reach up to 2,000,000 words. Either of them can be recipes for permanent and destructive religious confusion.

And literally **no** Bible is the word **of God** unless either *JESUS* or *YAHWEH* or the *HOLY SPIRIT* tells you spiritually in your prayer time **which bits** to read.

IN THE FINAL ANALYSIS EACH OF US IS BUILT BY THE GOD WHO CREATED THE LOT.

This GOD exists behind the EYES that we see whenever we look in the MIRROR

It is exclusively **THIS GOD** who built **each** of us from the time that we were merely human **eggs** in the bellies of our mums. At this stage of our development, each of us was the size of the winder on a lady's (small) watch.

And the male sperm that fertilised this egg was so small that **five** of them could have been fitted into the width of a single human hair!

And it is the *YAHWEH* whom *JESUS* told us all to pray to who is the **GOD** who has supervised all of our bodily growth as well as all of our thinking from this truly **miraculous** beginning.

IT REALLY IS TIME FOR EVERYONE IN THE WORLD TO BE STILL AND PRAY

Sincerely
