

## **GLOBAL CHRISTIANITY HAS SEVERED ONE OF THE ARMS FROM ALL OF ITS CRUCIFIXES**

... A one-page handout for all Christians ...  
Hello believers in Jesus the Christ

**ALL** of the Bible's **original** scriptures were written in **HEBREW**  
or **ARAMAIC** and **NOT** Greek

In these **original** scriptures, we are told **6,999** times that the  
**NAME** of **GOD** is **YAHWEH**

### **YET**

- 1.** The name **YAHWEH** does not occur even **ONCE** in some **98%** of our **ENGLISH BIBLES**.
- 2.** There are an estimated seven **BILLION** copies of the **NEW TESTAMENT** within **ALL** the Bibles of Planet Earth.
- 3. EACH** of these New Testaments sets out to present the story of our **GOD of all GODS** and of His Saviour Son **JESUS**
- 4. ALL** of these New Testaments tell us that the **NAME** of **GOD'S** Saviour Son is **JESUS** no less than **971** times.

But in our **ENGLISH BIBLES** almost **NONE** of their **NEW TESTAMENTS** tell us that the **NAME** of our **GOD** is **YAHWEH** even **ONCE** !

- 5.** As of January **2023\*** there was a group of **1076** translations of the Bible in **286** languages that were **NOT** English. And in **ALL** of these translations the name of **YAHWEH** was accurately translated as **YAHWEH**.
