

# GLOBAL CHRISTIANITY HAS SEVERED ONE OF THE ARMS FROM ALL OF ITS CRUCIFIXES

... a one-page handout for all Christians ...

## HELLO BELIEVERS IN JESUS THE CHRIST

**ALL** of the Bible's **original** scriptures were written in **HEBREW** or **ARAMAIC**  
( and **NOT** Greek )

In these **original** ancient scriptures, we are told **6,999** times that the  
**NAME** of **GOD** is **YAHWEH**

## YET

**1.** The name **YAHWEH** doesn't occur even **ONCE** in **90%** of **ENGLISH BIBLES**.

**2.** There are an estimated **FIVE BILLION** copies of the **NEW TESTAMENT** within the Bibles of Planet Earth.

**3. EACH** of these New Testaments presents the story of our **GOD** and His Saviour Son **JESUS**

**4. ALL** of these New Testaments tell us that the **NAME** of the Saviour Son is **JESUS** no less than **971** times.

But in our **ENGLISH BIBLES** almost **NONE** of these New Testaments tell us that the **NAME** of **GOD** is **YAHWEH** even **ONCE** !

**5.** As of January 2023 ... there were **1076** translations of the New Testament in **286** languages\* that were **NOT** English. And in **ALL** of these ... the name of **YAHWEH** was translated accurately.

**6.** The **JESUS** that literally every English speaking Christian preacher talks about could **NEVER** have wanted this.
