## MUSIC MINISTRY HANDOUT

### WHY THIS NEW BIBLE SERIES ?

*Bibles translated into English from the original languages of HEBREW and ARAMAIC are the most badly translated Bibles in the world. The evidence for this is simple ... short ... and conclusive.*

*Most Christians globally do NOT call on the NAME OF THE GOD whom THE LORD JESUS told us to pray to 2000 years ago.*

**Christopher Nugent**    January 2022

## WHY THE PHONETIC ENGLISH BIBLE SERIES

**THE FIRST PURPOSE OF THIS SERIES :** To correct a set of clear mistranslations that have been within most of the published versions of our English Bibles since at least 1611 C.E. For example, English speaking Christians globally have not called on the name of the God called 'YAHWEH' whom Jesus told us ... quite categorically ... to pray to some 2000 years ago.

**THE SECOND PURPOSE OF THIS SERIES :** To help students of English everywhere to cope more easily with the problems of our unique English system for pronunciation, and spelling. The series is written with a newly invented and **PHONETICALLY REGULAR ENGLISH** script ... and this **WITHOUT** changing the spelling of any English words. The website for the series also presents **120** top quality lessons for students of English as a Foreign language.

**THREE BOOKS IN THE SERIES :** These are 1. The Book of **Torah** 2. The Book of **Psalms** 3. The Book of the **The New Testament**

The body of scriptures in this **PHONETIC ENGLISH BIBLE SERIES** has been copied from the public domain **WORLD ENGLISH BIBLE** or simply the **WEB** that has been published by the WORLD OUTREACH MINISTRIES: PO BOX B: MARIETTA GA 30061-0379 USA.

The scriptures in this present booklet have been altered from the **WEB** in **2** ways:

- 1...** in line with my stated views on the translation of the Hebrew words for YAHWEH and Elohim (as well as its derivatives El and Eloah.)
- 2...** the translation of the Hebrew/Aramaic word ADONAI to refer to either Master or Lord as distinct from God or Elohim or YAHWEH into English.

These alterations were included throughout by reference to:

**1 ... the HEBRAIC ROOTS BIBLE** by **DON ESPOSITO** of the CONGREGATION OF YHWH: Jerusalem. PO Box 832 Carteret NJ 07008. ( 3<sup>rd</sup> Edition 2015)

**2 ... ARAMAIC ENGLISH NEW TESTAMENT (AENT)** By **ANDREW GABRIEL ROTH** : THE NETZARI PRESS LLC PUBLISHERS : First edition in 2008 through to the fifth edition in 2012.

Finally ... There has been *no alteration* of the name of Jesus from its *original* Peshitta Aramaic or Hebrew forms of YESHUA or Y'SHUA. This is because any change in the name of Jesus would have been too personally confronting to the majority of devout Christians who have spent their entire lifetimes with the traditional name of our Savior in English.

# **YOUR ‘ GOD ’**

## **IS IN YOUR HEAD WITH YOU FULL TIME**

### **AND THIS REGARDLESS OF YOUR RELIGION**

Different sections of the so called ‘ Holy Bible ’ are regarded as containing authoritative scripture by all three of the world’s monotheistic religions:

*Jews* support all the books from Genesis through to Malachi, *Christians* also support the extra 27 books from the Gospel of Matthew through to the Book of Revelation, whilst *Muslims* ... in the main ... support only a series of prophets mentioned in the Hebrew scriptures, including especially Abraham, Moses & David. Collectively, these three religions are often referred to as the world’s **Abrahamic** religions.

Whether you are Jewish, Christian or Muslim however, the act of praying is simply either *talking* or *thinking* to the Creator Spirit who built the brain that you yourself are thinking with ... and this regardless of your age, race or language. This Creator Spirit is your very own personal ‘GOD’ who has been within you every second of your life ... and He alone can implement the blueprints for the construction of any human being.

Apart from your death, absolutely nothing can change the existence of this presence as your inbuilt *spiritual* reality. This inbuilt reality is taught by the world’s religions as the essential spiritual ‘*truth*’ that has underpinned the life of some 15 billion humans since human history began. Many of those who don’t believe in any of our world’s current and conventional ‘*religions*’ often confess to the feeling that there’s probably ‘*something out there*’ but they don’t know what it is : and the fastest growing religion in the world is currently *no religion at all*.

*Spiritual reality* then, simply refers to the intellectually posited existence of a so called ‘god-like’ being or group of beings that no mere human has ever been intelligent enough to satisfactorily investigate. The main counter theory to the existence of a supremely intelligent *spiritual* creator such as this is the evolution theory. This evolution theory holds that a group of very basic but never ever defined ‘*evolution forces*’ within a mythical ‘*mother nature*’ ... rather than a ‘*god*’ ... has developed modern humanity to its current state of global sophistication. As we explain below, the credibility of this theory has significantly more problems than its opposition.

**EVOLUTION THEORY AND THE HUMAN BODY :** Evolution theory has cropped up in the world’s universities since especially the mid 19<sup>th</sup> century. I personally have never accepted it even as a plausible theory ever since the time that I actually saw a *human egg* ... in a glass dish ... on a laboratory bench. The bench was in a hospital fertility clinic.

As I recall, the egg was so so tiny that about *five* of them could have been stacked onto the space occupied by the coloured part of a human eye ! I reflected at that time that this was precisely the size that I myself was ... in my mum’s belly ... only my age and nine months earlier. And then I reflected further : the *sperm* from my dad that miraculously fertilised the egg was so small that about *five* of them too, could have been fitted into the width of a single human hair.

It was at that precise moment of fertilisation that my mum’s egg and my dad’s sperm became a miraculously functioning *biological microchip* that was roughly the size of a domestic split pea. From that time on ... as an average sized human being ... I have grown into a body that contains some 37 trillion cells that are all connectively integrated.

Recently I took this idea of my current 37 trillion cells of body mass to the calculator on my computer. It worked out that ... roughly since the time (80 years ago) of the egg’s fertilisation in my mum’s belly, my body has (on average) grown by some *52 million* new cells every hour of every day. And my simple computer assisted arithmetic here is flawless.

**EVOLUTION THEORY AND THE HUMAN BRAIN :** As an average human being ... you have a brain of around *100 billion* cells that is uniformly described by science as the most *complex organisation of matter* in the universe. And each of these brain cells is composed of a substance called DNA which is described by modern science as the most *compact organisation of information* in the universe. To personally count this 100 billion cells you would need not less than 3000 years ... without time off to eat or sleep.

The conclusion is clear : the so called *natural complexity* of your human brain rivals the *scientific complexity* of the entire system of computers at America's NASA headquarters. And only your very own personal super, super, super smart GOD could firstly create a living organism of this complexity ... and thereafter ... lovingly maintain this organism ( in unvarying truth and holiness ) upon *your* behalf for every second of your life. Evidence of your GOD and His magnificent creation is actually in your head on a full time basis.

As for the university based theory of a '*creator-free*' and '*brain-free*' and '*god-free*' evolution? The conclusion is inescapable : at its best, the evolution theory doesn't hold water.

**THE SPIRIT WITHIN YOU ... IN SUMMARY :** The GOD that I personally believe in is the Spirit who lives within your head and who built the brain that you are currently thinking with. And you yourself have never been able to produce a word that this Spirit has *not* heard. GOD then, is the enabler of the *first* word ever uttered by humankind and the *last* ... and of *every* word spoken in between these two.

Throughout your life then, you have simply never been without your GOD. He has been with you *all* the time. And when you choose to either *think* or *speak* to Him, He is in your head, heart and blood-stream ... encircling every cell on a full time basis with his divine love. Even if you have only a single word in your head right now, He is actually *with* you right now and able to monitor every thought before you think it.

## **1. STYLES OF PRAYER WITHIN THE ABRAHAMIC RELIGIONS**

It's worth repeating: even we pray silently we are simply *mentally talking* or *thinking* to the Spirit who is empowering the brain that we are thinking with. The Scripture teaches us that as fully committed ( or 'born again' ) Christians we become enabled to receive the "mind of Christ". It is clearly of value then, for us to find out what the scripture tells us about who we are praying to. It is clearly important too, for us to know and use the NAME(S) of the 'holy identities' that were historically revealed to humanity ... in the reported presence of countless miracles ... between 2000 and 3400+ years ago.

However ... Judaism, Christianity and Islam have presented a hugely differing and often incomprehensible array of *prayer styles* since at least the time of Moses some 1,400 years before the Christian saviour called Jesus arrived on the planet. According to the Bible, the GOD of the original Jewish or Hebrew 'religion' called himself YAHWEH.

This is the name that He gave to Moses with His clearest of instructions as follows: ***"This is My Name forever ... the name you shall call me from generation to generation."*** (Ex 3:15)

and ***"You shall not take the name of YAHWEH your Elohim (God) in vain for YAHWEH will not leave unpunished the one who takes His name in vain"*** (Ex 20:7)

and ***"Now these are the commandments, the statutes and the judgements which YAHWEH your Elohim (God) commanded to teach you."*** (Deut 6:1) .

Astonishingly ... the work of the 21<sup>st</sup> century archaeologist **TITUS KENNEDY** serves to actually confirm these statements. He reports that the name of YAHWEH is associated with the Egyptian pictogram for “*the Land of the Nomads*” within the 3,400 year old stonework that was chiselled during the reign of Pharaoh Amenhotep III.

Conventional religious traditions since that time have promoted the view that Moses was either the sole author or the main author of the first five books of the Bible. These books are called *The Torah* by Jews, *The Pentateuch* by Christians and *The Taurat* by Muslims.

For many reasons these traditions are often contested. The bulk of modern archaeological thinking has it that the 3,400 year old version of the Hebrew Torah could not have been written by Moses. Rather, it was most probably elaborated from the largely oral traditions that prevailed during the time of the Babylonian enslavement of the Hebrew people. This enslavement occurred around 600 B.C.E. ... an estimated 8 centuries after the death of Moses.

## **2. A 3400 YEAR OLD PROBLEM WITH THE BLASPHEMOUSLY EXPLOITED “ WORD OF GOD ”**

The expression “*The Word of God*” is probably the most blasphemously exploited phrase in the history of the English language. Since the late 20<sup>th</sup> century especially, this phrase has fraudulently gathered millions of dollars from millions of gullible believers. A significant number of prominent American preachers too, has been made almost obscenely wealthy by the many lies ... promoted as divine truth ... under this “*Word of God*” banner.

In the light of some of the ancient history behind this “Word of God” teaching, our more modern brand of religious *propheteering* comes as no surprise. As I explain in more detail from page 12 onwards, almost 2000 years ago a group of ancient Greek translators corrupted the very original ( ‘word of god’ ) *Aramaic scriptures* of our New Testament with antisemitism and religious bigotry. In particular, these translators even contrived to corrupt the translation of the *Aramaic* word (= *miltha* ) for *word* by using the totally inadequate Greek word (= *logos* ). And following is an account of how this translational corruption affects our understanding of biblical scripture to this day.

The *Aramaic* word ‘*miltha*’ in the very original manuscripts meant BOTH *word* as well as *power* ... but the *Greek* word ‘*logos*’ meant only *word* . If the original and uniquely *Aramaic double* meaning from 2000 years ago had been carried over into the billions of Bibles that were subsequently printed, it would have radically altered the appreciation of many basic “*truths*” by at least Christians . See illustrations following.

**Was that scriptural word the ‘WORD’ of GOD or was it the ‘MILTHA’ of GOD ?**

**FOR EXAMPLE : THE FIRST VERSE OF THE GOSPEL OF JOHN**

In the beginning was the *miltha* (... word or power ...) and the *miltha* (... word or power ...) was with *Elohim* (God) and *Elohim* (God) was the *miltha* (... word or power ...)

REFERENCE : Aramaic English New Testament 2012 . ( by ) Andrew Gabriel Roth

In effect ... the *Aramaic* word for what much of the English speaking world still understands only as the *Word* ... refers to either a string of letters or to a string of spoken sounds as well as to the *presence and power* of GOD. And when we read some of our *English* scriptures in this *original* 2000 year old light they can expand with added imagery. Examples follow:

“The *miltha* (word or power?) of God is living and powerful and sharper than a two edged sword, piercing even to the division of soul and spirit and of joints and marrow and is a discerner of the thoughts and intents of the heart ... “ *Heb: 4:12*

“Most assuredly I say to you, he who hears *my miltha* and believes in *Him* who sent me has everlasting life and ...” *John: 5:24*

“But he who received the seed ... on the good ground ... is he who hears the *miltha* and understands it who indeed bears fruit ... and produces some a hundredfold, some sixty and some thirty.” *Matt:13:23*

“If you abide in *my miltha* you are My disciples indeed. And you shall know the truth and the truth shall set you free.” *John: 8:21*

“You are already clean because of the *miltha* I have spoken to you.” *John:15:3*

### **3. THE FORGOTTEN POWER OF ‘SCRIPTURE FREE’ PRAYERS**

**NOTE:** This section is not intended to devalue the extreme importance for all of us ... of prayerfully searching the scriptures for directions from The Holy Spirit on our thinking, speaking and living.

In his day, Moses must have been the busiest man on the planet. Scripture tells us that initially he was the leader of some 600,000 warriors ... plus their families ... out of Egypt and that for the 40 years that followed he led these families during their nomadic wanderings in the desert.

On these figures alone not less than 2.5 million nomadic people were under Moses' leadership. Time for prayer and time for the actual writing of the very first 'scripture' must have been rare indeed for Moses. Yet the Moses *type of prayer* still stands out as possibly the most *successful* type of prayer in either human or 'Biblical' history. Let's consider some of the scriptural evidence.

An amazing **893** translations of the Bible exist in print and this in **246** different languages.\* Give or take a few thousand words, there must be around **750,000** words in all of them. Moses however began praying with *no scripture at all* that we know of ... even though the *oral traditions* of his time probably supplied him with much of the narrative which later appeared within the *Book of Genesis*. \* *Source: GRZEGORZ KASZYNSKI*

The Book of Exodus tells us that Moses was directly told by YAHWEH Himself that His name was YAHWEH. Today's majority view holds that this name means **I AM THE I AM**. YAHWEH also gave Moses the first copy of *The Ten Commandments*. These commandments over the ensuing millennia became the foundational rules for shaping the behaviours and beliefs of almost the entire western world as we know it.

However, we *cannot* conclude with confidence that Moses was the actual *author* of the entire first five books of the Bible. Historically speaking, outside of the Ten Commandments the writing of significant tracts of scripture by Moses himself is dubious indeed.

Yet, despite his lack of access to any 'scripture' that we are confident of, the Moses reputation for miraculously answered prayers can be argued to almost equal that of even Jesus our Saviour. Among other things ... these prayers **(1)** brought ten plagues upon the entire nation of Egypt **(2)** parted the Red Sea for Moses and his people **(3)** destroyed the Pharaoh's army and **(4)** miraculously healed thousands ... and all of these things without Moses having any access to a Holy Book or Scroll. Moses simply *loved* the YAHWEH that he prayed to.

#### 4. THE 'SECRET' BEHIND THE PRAYER OF MOSES ?

“*God is love*” and “*Faith works by love*”

*God is love* and *faith works by love* are the two most simple and absolute statements that reveal the derivation of the immense power that supported the prayer of Moses and continues to support our own prayers today.

A large number of similar statements occur throughout scripture. Jointly, these two statements represent the most fundamental teaching about the *spiritual state of mind* within us that releases the Divine power of YAHWEH *and of His Savior Son* JESUS.

This '*divine love*' teaching underpins most of the Bible from Genesis through to Revelation. And the vital message of this teaching for the whole of humanity is equally simple. *In the absence of love* YAHWEH and His son JESUS work miracles very rarely indeed if ever.

Though I speak with the tongues of men and angels and have not *love* I am become as sounding brass or a tinkling cymbal ... and though I have all the *faith* so that I can move (even) mountains but have not *love* I am *nothing*. 1 Cor: 1-2

Any religion that does not systematically set out to engender this level of *divinely* powered love within its congregations is simply not representing the GOD who built the brain that you are thinking with. It was miraculous Divine love that enabled Abraham's wife Sarah to bear a child at the age of ninety. It was miraculous Divine love that worked all the miracles for Moses. It was miraculous Divine love that created over 300 prophetic scriptures that were *fulfilled* by the birth, life, death and resurrection of Jesus. It also *continues* to be this miraculous Divine love that is accessible to this very day to both you and me ... who *believe* in the following:

- (1) YAHWEH as the Spirit who built the brain that each of us thinks with and
- (2) JESUS who, as His *human* SON, voluntarily sacrificed His own *human* Spirit to our GOD and Father YAHWEH, so that the unique *human holiness and power* of the Son might be *returned* ... by YAHWEH ... to all who *prayed* with a total commitment before the unconditional *love* of YAHWEH.

Jesus said in John 14:12

“*Greater works than these shall you do because I go unto My Father YAHWEH*”

#### 5. THE 21<sup>st</sup> CENTURY 'SECRET' BEHIND THE POWER OF THE CHRIST ?

**You've got it already ... but a few more things need to be added**

The Jesus who sacrificed His life for *each* of us was a Jewish rabbi or 'teacher' of his time. He preached and consistently demonstrated (with His miracles) the power that could be generated by the love of YAHWEH like no-one else either before Him or since. His words from the gospel of Mark some 2000 years ago summarize His *still current* instruction to us all.

“Behold Israel, the Lord YAHWEH your *elohim* (GOD) is one. You shall love the Lord YAHWEH your *elohim* (GOD) with *all* your heart and with *all* your soul and with *all* your mind and with *all* your strength.” *then* “This is the first commandment. The second is like this: You shall also love your neighbour as you love yourself” *then* “There is no other commandment greater than these”

So what on earth *could* have caused the Divine *grace* behind this access to unlimited divine power to seemingly disappear from global Christianity in practice? Even the *Book of Revelation* points out that our first century Christians started to abandon the teachings of YAHWEH through His son *Jesus* before the end of that century.

And over the last 2000 years especially, very few Christians indeed have been taught that our GOD is still the very same YAHWEH who:

- ( 1 ) raised *Jesus* from the dead
- ( 2 ) powered all miracles that were worked for *Moses* and for *Jesus* and for all of the people who lived within the 1,400 years that separated their lives on earth.
- ( 3 ) was the *Elohim* (GOD) whom *Jesus* worshipped and still *does* worship. \*
- ( 4 ) was the *Elohim* (GOD) whom *Jesus* told the entire world to worship
- ( 5 ) still is the *Elohim* (GOD) whose name has been *blasphemously obliterated* from the greater part of at least *3 billion* English Bibles in print. \* Revelation 3:12

## 6. PERHAPS HUMAN IGNORANCE OF VERY BASIC TIME GOT IN THE WAY

**ALBERT EINSTEIN and STEVE HAWKINS contribute relevance here**

The thinking of two of humanity's greatest intellects ... on the topic of basic **TIME** ... seems to be relevant here. From a scientific standpoint, humankind's understanding of simple, basic time has stumped all of humanity since time began. The published views of both Einstein and Hawkins agree that "*time past, time present and time future remain an illusion ... however persistent.*"

Neither of these phenomenal human minds however, ever published the vital view that *spiritual events* simply must precede literally all of the *physical events* that happen to actually exist within our own perceived concept of **TIME**.

The fundamental points here for us Christians globally are these :

1. Only the Spirit of YAHWEH with His Son JESUS who jointly *created* each of us within the miracle of **TIME** ... whose existence they *continue* to create around and within each of us ... can sacrifice *Himself* literally *every* time for *every* human being that He firstly *creates* and thereafter *maintains* with His divine love for life.
2. Essentially this means that the omnipotent and eternal 'WORD' or 'GOD' within each of us has actually replicated *Himself* within the some *15 billion* human beings that have ever existed on Planet Earth. Little wonder that the Bible reports that we are **GODS** *and all of us are children of the most High.* Ps 82:6

## 7. CATASTROPHIC BIBLE TRANSLATIONS FOR 2000 YEARS

**How our English Bibles especially, disempower the Name of YAHWEH**

In all probability, the *most miraculous truth of the lot* to emerge from the current collection of English Biblical translations is as follows: "*Sufficient basic truth about YAHWEH and His Son JESUS has actually survived to enable a huge number of Christians to establish both lifelong and eternal love relationships with our Divine Father and His only Begotten Son JESUS.*"

From an editorial standpoint at least, there simply could *not* be a catastrophe that's much bigger than the collection of 66 to 70 books within our standard English Bibles.

With the original scriptures written up to 3400 years ago ( in either the *Hebrew* or *Aramaic* languages ) these books have provided foundational underpinnings for Jewish, Christian and even some Islamic teachings throughout the world. Yet, even today, our English translations provide many hundreds of *editorial and moral inconsistencies* that radically contradict and confuse teachings by Jewish, Christian and Muslim clerics everywhere.

## **9. THE OLD TESTAMENT : Six huge moral inconsistencies**

**1. Genocide:** According to the traditions behind the first five Books of the Bible, the Hebrew people led by Moses, mercilessly butchered the men, women and children of *seven* entire nations: These nations are named as the Hittites, Girgazites, Hivites, Jebusites, Canaanites, Perizites and the Amorites. In some of these cases, the Hebrew people butchered the livestock as well.

Much of modern humanity quite categorically *condemns* very similar ... but historically more recent *mass murders* of literally millions ... by *all* of the following:

( **A** ) *Hitler* ... in the 20<sup>th</sup> century. ( **B** ) *Stalin* ... in the 20<sup>th</sup> century ( **C** ) The *Roman Catholic Vatican* ... roughly between the 7<sup>th</sup> and 17<sup>th</sup> centuries. ( **D** ) The *Prophet Mohammed* ... in the 7<sup>th</sup> century.

To access the scriptural ‘evidence’ on the above issue all you need to do is read Chapters 7, 13 and 20 in the book of *Deuteronomy*.

**2. Executions:** Men who slept with men (without mention of women who slept with women) were publicly *stoned to death*. Persons who did physical work on the Sabbath day or who “blasphemed” the name of the Lord YAHWEH were also *stoned to death*. Adultery too, was punishable by the same type of public execution. For the scriptural evidence here you turn to the books of *Exodus* and *Leviticus*.

**3. Sale of daughters:** The book of *Exodus* has the evidence here.

**4. Sex slaves for men:** Scriptural evidence for *multiple wives* as well as *concubines* for men is sprinkled throughout roughly the first half of the Old Testament.

**5. Sexual depravity by a king overlooked:** King Solomon was probably the most sexually depraved male in human history. The Old Testament tells us that he had *700 wives* as well as *300 concubines* among whom to indulge his depraved genital excesses. Yet there is no mention within the Scripture that this behavior toward females was *sinful*.

**6. Satan: Is he the ultimate spiritual enemy of both the Lord YAHWEH and of humankind or not?** Christians, Jews and Muslims all regard the entity called *Satan* as the avowed ultimate enemy of both the Lord YAHWEH and humankind. Yet, outside of the *Book of Job*, the name of *Satan* gets mentioned only once in every 150,000 words.

And, to my way of thinking, one of the most astounding facts of all is that the Old Testament contains not a single example of a *proactive prayer* to the Lord YAHWEH against this universally acclaimed arch enemy of the *whole of humanity* !

### **Fortunately here for the eternal reputation of Moses**

Moses was *not* the writer of the Bible’s first five books: Moses was the person to whom the Lord YAHWEH gave the original copy of the Ten Commandments . These Commandments have provided the moral underpinning for most of our planet’s western world for some 2000 years.

The *sixth* of these Commandments is clear : it says *Thou shalt not kill*. Yet our Christian, Jewish and Muslim traditions still hold that, as the writer of Books 1 to 5 of the Bible, Moses must have been the Hebrew leader who effectively authorized the killing of humans at: (1) *statutory levels* within his own Hebrew community and at (2) *genocidal levels* elsewhere.

Fortunately for the eternal reputation of Moses the first five books of the Bible report him as writing on a number of items and events that simply *did not exist or occur* until well after he was dead. In fact, our 21<sup>st</sup> century academy has it that the *most likely writers* of the Bible's first five books did their writings at roughly the time of the Hebrew/Judean enslavement in Babylon. This enslavement occurred an estimated 8 centuries after the reported parting of the Red Sea for Moses.

It appears too, that it was only after the Babylon enslavement that the Judean people became a theocracy that was ruled by its rabbis. These rabbis declared that public *execution by stoning* was also the appropriate statutory punishment for any person (who was not an authorized rabbi) to say the name YAHWEH out loud in public !

By the time that Jesus and His disciples had jointly begun the public ministry for the "God of Gods" whom they worshipped as the Lord YAHWEH, this community statute had been influencing Jewish religious preaching in public for an estimated minimum of 20 generations.

## **10. THE NEW TESTAMENT TOO : An editorial minefield of errors**

*Originally* the New Testament was a group of 27 separate documents (later called Books) that were written by either 8 or 9 writers some 1900 years ago. These documents purported to record the activities and teachings of the Christ and are estimated to have been written between 40 years and up to 80 years after His death on the Cross.

Modern archaeology *guesses* that perhaps two of these writers (Matthew and John) were eyewitnesses to any of the events ... involving the Person of Jesus ... that they wrote about.

Whilst some unacknowledged 'copying' between the writers of that time seems evident today, it is indeed clear that none of them communicated with any of the others at the time(s) of their writings.

*Contrary to the most popular of opinions*, all of these original documents were written in the *Aramaic* language. This was the language that was spoken and written by Jesus and His apostles. It is vital to be clear that the *original* language of our scriptures was *not* Greek.

*With an editorial pedigree* as haphazard as this, a minefield of inconsistencies within the original Scriptures was inevitable. These inconsistencies are still everywhere within our New Testament.

At that time especially, without any authoritative *community body* in place to actually *vet* the writings by the then revolutionary 'Jesus movement', the way was cleared for a minefield of writings that were less than strictly factual.

*Some 170+ inconsistencies*. The work on the internet by **DONALD MORGAN** on these Bible inconsistencies is thorough. In the New Testament alone he lists over 170 of them that have not been refuted ... and this regardless of the particular translation into English that you are reading. To me, the following two alone of Morgan's reported inconsistencies are sufficiently *arresting* to convince others to begin larger checks of their own.

**1. The last words of Jesus on the Cross** : The three versions of Jesus' last words are:

“My God My God why hast Thou forsaken Me!” MT 27:46-50 MK 15: 34-37

“Father, into Thy hands I commit My spirit.” LK 23: 46

“It is finished.” JN 19: 30

**2. The unforgivable sin: blasphemy against the Holy Spirit** : Three different Scriptures tell us that **ALL** sins are forgivable: AC 13:39 CN 2:13 and 1 JN 1:9. These conflict with the following that are reported as *quotes* from the mouth of Jesus.

“But whosoever speaketh against the Holy Spirit it shall not be forgiven him, neither in this world nor the world to come.” MT 12:32

“But he that shall blaspheme against the Holy Spirit hath never forgiveness, but is in danger of eternal damnation.” MK 3:29

“But unto him that blasphemeth against the Holy Spirit it shall not be forgiven.” LK 12:10

### **SERIOUSLY COMPROMISED TRUTH BY PREACHERS**

Christianity is simultaneously the most divided and divisive set of beliefs in the world. Christians are in a position to choose a different cult or branch of Christianity for almost every second page of a Holy Bible that only *claims* to be Holy.

Preachers, priests, pastors and pretenders of all descriptions derive their often lucrative incomes by teaching the *Word of the Bible* but all too often carelessly blaspheme that they are ( instead ) teaching the *Word of God*.

**ANDREW FARLEY** in his recent book entitled *Twisted Scriptures* presents an able exposure of the main 45 lies that have been preached ( some of them for centuries ) from Christian pulpits all over the world. Farley has made freely available both audible and PDF files of his book on the internet. The time has come for many Christians to find out what these lies are. I highly recommend the reading of Farley's book.

### **11. MILLENNIA OLD DISTORTIONS FROM SYMBOLIC BIBLICAL STORIES**

**1. The Adam and Eve Story.** More symbolism is contained in this story than most Christians realise. And we need only to question the DNA of the male and female involved. If the story were true then (1) one of the pair had to be a giant and the other a pygmy and (2) one of them had to be white and the other either striped or polka dotted ... and this in different skin colours.

So many of our Bible stories and events need to be seen as simply *symbolic* illustrations that were originally meant by the Lord YAHWEH and JESUS to convey features of an underpinning *spiritual* reality.

**2. The “This is My Body” story** : In the Scriptures, Jesus symbolically said “ **I am the vine ... and My Father is the Farmer.**” This statement was spoken as a *symbolic* one, and no Christian in the 2000 years since then has ever believed that Jesus ever once resembled a **mobile bunch of leaves**.

But a *second* ( and similarly *symbolic* statement uttered by Jesus ) has brought some truly insane activity to especially Catholic Church ceremonies over the past two *millennia*. This second statement was reportedly said by Jesus at what is known as the *last supper* when at a simple and final meal table ... Jesus broke a loaf of bread and said these words “**This is My body.**” and then shortly after this he said these words “**Do this in remembrance of Me.**”

And for most of the 2000 years since that time ... the strictly regimented *Catholic church theology* on the 4 word symbolic statement of “*This is My Body*” has required all Catholics to believe the following: that ... whenever Catholic priests say these four words over bits of bread ... then these bits of bread are spiritually and instantly *converted* into the actual “*body, blood, soul and divinity*” of the *Lord Jesus Christ* Himself!

It's truly *impossible* to concoct an officially stipulated theological teaching that could be crazier than this. But this centuries old and *official* theological stipulation does help to explain to the global *non* Catholic public ... why the world witnesses on the public media ... so many hugely expensive and apparently crazy fancy dress parties ( usually by wealthy elderly men ) in their religious uniforms.

The daily practice of this ritual by Catholicism essentially teaches that the “once for all” *spiritual* sacrifice of the only Begotten Son of YAHWEH on the Cross wasn't enough for the *spiritual* salvation of humankind in its entirety.

## **12. AND MOST CHRISTIANS GLOBALLY DO NOT CALL ON THE NAME OF THE GOD CALLED 'YAHWEH' TO WHOM JESUS PRAYED**

As mentioned earlier, the original scriptures of the Bible have been translated into 246 languages. In most of these languages the name of YAHWEH has been translated accurately from the original Aramaic or Hebrew ... especially in their Old Testaments and in a few of their New Testaments as well.

But the very Name of YAHWEH to whom Jesus actually *prayed* on a full time basis, is missing ( and this almost absolutely ) from most *English* Bibles. Among my personal possessions for example, is a Contemporary Comparative Parallel Bible. This volume contains some **3,000,000** words about the lives and teachings of Moses through to Jesus.

If the *translations* from the original languages had been fully accurate then this volume *should* have printed the name YAHWEH a total of **28,000** times. The blasphemous truth however is that the mention of the name YAHWEH occurs only **ONCE**.

It is almost exclusively within our English language Bibles ... and translations into *other languages* from these ... that we find this blasphemous reluctance to translate the original Hebrew /Aramaic name for YAHWEH simply and accurately as YAHWEH.

## **13. THE NAME YAHWEH : ABANDONED GLOBALLY**

- 1.** For some 1900 years the *signature* prayer for all Christianity has been the “*Hallowed be Thy NAME*” or the “*Our Father*” prayer. For a hundred human *generations* this prayer has been sent heavenwards by millions of Christians almost every *hour* of every day. Yet the name of YAHWEH our *Elohim* (GOD) that this prayer clearly does refer to ... has not been spoken or thought of.
- 2.** In the 21<sup>st</sup> century some 15 million descendants of the ancient Hebrew teaching are still being instructed ... thousands of times ... by the modern copies of their Old Testament scriptures that YAHWEH is the name of the *Elohim* (GOD) who created both them and their universe. But around 2,500 years ago, the ruling ‘holy’ Hebrew clerics of that day told their forebears that the name of YAHWEH was too holy to be spoken out loud by anyone ... except of course by the ruling Hebrew clerics ... and this on only very rare occasions.

So to this day ... when reading their scriptures *aloud* ... the modern descendents of the Hebrew people read the word YAHWEH as “*Hashem*” (The Name) or as “*Adonai*” (Master). In this way, these current followers of their own ancient clerical ruling class could well be *disempowering* the very name of the *Elohim* (GOD) that their ‘holy’ scriptures still explicitly *instruct* them to pray to.

3. Since around 1611 C.E. there have been an estimated three *billion* Protestant and Catholic Bibles printed in English. The Catholic Bible, comprising a guesstimated 20% of the total, is the main English Bible that makes any mention of the word YAHWEH ... but only within its Old Testament section. With few exceptions, the remaining English Bibles make *no mention at all* of the word YAHWEH.

Yet **ALL** of these Bibles claim to have derived from the original Hebrew, and this when the Hebrew scriptures alone contain the word YAHWEH not less than **6,823** times. And the original Aramaic scriptures of the New Testament add at least an extra **176** times to these.

In simple terms then, this means that **billions** of English Bibles around the world today actually *deny* the translation of the very name of YAHWEH our *Elohim* (GOD) some **trillions** of times.

There’s an interesting and relevant afterthought here too. Some 1900 years ago the original New Testament Scripture reported that St Peter *denied* that he personally knew Jesus only *three* times ... but because of the Scripture he has been remembered for these *three* denials ever since.

I despair when I think of what the world’s thousands of English speaking *Bible Colleges* have simply *not* done. But with only few exceptions, the global omission of the word YAHWEH from *all* editions of English *New Testaments* is also total.

And, depending upon which modern and archaeologically verified ‘*Hebraic Roots*’ New Testament that we are using as a reference, these omissions add many more *billions* of denials to the name of YAHWEH within our English Bibles today.

#### **14. AND WHAT WOULD JESUS HAVE SAID ABOUT THIS ?**

**... as mentioned earlier : He would have said ...**

“ Behold Israel ! YAHWEH our *Elohim* is one. You shall love YAHWEH your *Elohim* with *all* your heart, and with *all* your soul, and with *all* your mind, and with *all* your strength. This is the first commandment. The second is like this, ‘You shall love your neighbour as yourself. There is no other commandment greater than these. ’ ”

#### **15. 1900 YEAR OLD RELIGIOUSLY BIGOTED TRANSLATIONS**

The **27** books of the *New Testament* were originally written in an early dialect of the *Aramaic* language that emerged in the *Middle East* at roughly the same time as the *Hebrew* language did. It was this Aramaic language that was actually spoken, as well as written, by both Jesus and His disciples.

Since before the time of Jesus more than 16 Aramaic dialects have now emerged on Planet Earth ... but the very *original* Aramaic dialect of our New Testament times was the language that was spoken and written by Jesus and His disciples. Archaeologically speaking, this dialect is called *Peshitta* Aramaic.

All the New Testament scriptures were first written *not* in the Ancient Greek language, as most English speaking Christians since at least the 16<sup>th</sup> century have been taught to believe, but in the *Peshitta* Aramaic dialect.

The evidence now has it that ... sometime early within the two centuries following the death of Jesus ... the Peshitta Aramaic New Testament scriptures were first translated by the Greeks, into Greek. In 382 C.E. the Ancient *Greek* translations of both the Old and New Testaments were translated into *Latin* and this without any corrections to their fundamental errors. And these seriously *still uncorrected* translations currently mark the historical confirmation of a blasphemous translational religious *bigotry* that has continued into most of the world's 21<sup>st</sup> century English Bibles.

## 16. HOW ON EARTH DID THIS HAPPEN ?

The original Greek translators of the early centuries ... and the later translators of the 17<sup>th</sup> century *King James Bible* ... did have their own religiously *bigoted* and/or *antisemitic* views that they brought to early and then later Christianity. Four examples are sufficient for our present purposes.

Both the ancient Greek translators of around the 1<sup>st</sup> or 2<sup>nd</sup> century and the King James translators of 1611ce:

**1. Eradicated** all mention of the name YAHWEH as the name of GOD (*Elohim*) even though it occurred **6823** times in the Old Testament and not less than **176** times in the Peshitta New Testament. The name YAHWEH over all those centuries was and *still is* the DIVINE NAME that powered all the miracles (**1**) for *Moses* and also (**2**) for *Jesus* in His ministry and also (**3**) for all the Hebrew people who lived within the 1,400 years that separated their lives on earth.

**2. Eradicated** an extremely important meaning within the Hebrew word **Elohim** (for 'GOD') with its truly vital ability to simultaneously signify both **ONE\*** as well as **MANY\***. (\* Like the word **SHEEP\*** in English )

The simultaneous grammatically *singular* and *plural* attribute of the Hebrew word *Elohim* is much more explanatory than either the English word **God** or the Greek word **Theos**. *Plurality* in all of creation is merely a function of the grand human illusion called TIME. And YAHWEH ( having created time ) can organise this time anyway He chooses ... and can *replicate His own spirit* as many times as He chooses..

**3. Fully reinvented** the name of **JESUS** from the original Aramaic **YESHUA** in line with the name of their own main Greek god called **ZEUS** . With this decision they actually renamed and thereby paganised our Saviour's name from the Aramaic **YESHUA** to the nothing-like-it pronunciation of **IE-ZEUS**.

This paganised **IE-ZEUS** was later to be pronounced variously as **IE-SUS**, **IE-SOU** and also **JE-SUS** by the different nations of the world.

**4. De-emphasized** to near extinction, countless foundational teachings and traditions within the **TORAH** of Moses ... as well as of Jesus ... by referring to the five books of the **TORAH** as merely the **law**.

## 17. TRILLIONS OF PRAYERS HAVE MADE NO SENSE OVER CENTURIES

Every prayer at its *spiritual* basis is simply an attempt to communicate with the invisible Spirit that designed and built the brain that you are using to *think* with. Both you and your 'creator' Spirit *understand* the language that you think with : otherwise basic and personal ( two way ) *communication* between you and your GOD would fail eternally.

Even the *simplest* of effective praying must forever remain as this *two* way process of communication between you and your GOD. However, for around 170 human *generations* ... from roughly the time of Moses onwards ... all *three* of the Abrahamic religions of the world have consistently failed to teach prayer routines that have been designed to communicate (with shared love) in these essential *two* directions. We need to remember *constantly* that our own love for the GOD in our heads and hearts is close enough to the only valuable thing on the planet that even He (our GOD) is *unable* to create !

### **A: Problems within the JEWISH prayer pathway to GOD**

Stunningly, more than 300 prophetic Old Testament scriptures were historically *verified* by the life and execution of JESUS through the Roman military some 2000 years ago. Simply no other *set of events in history* has been preceded by so many verifiable portents within ancient writings. But by the time that Jesus was born into His *Aramaic* speaking society, the ruling rabbinical class of this society had deviated enormously from the simple pathway to GOD that was given to *Moses*.

Over the intervening 1400 years, the **10** basic behavioral rules or Commandments that were given to Moses as a simple ‘pathway’ to GOD had *exploded* into a totally unworkable set of **613** community statutes. And these were gathered into a set of writings that became known as the TANAKH .

This ancient set of writings then, included statutes as well as many *godly oriented* recommendations and advices. The TANAKH incorporated the TORAH too. Jesus however was to adamantly declare it as an unworkable pathway to the love and favor of GOD. His summary declaration (as follows) to the other rabbis and religious administrators of His time has been mentioned twice before in this current writing.

“ Behold Israel ! YAHWEH your *Elohim* is one. You shall love YAHWEH your *Elohim* with *all* your heart, and with *all* your soul, and with *all* your mind, and with *all* your strength. This is the first commandment. The second is like this, ‘You shall love your neighbour as yourself. There is no other commandment greater than these. ”

### **B: Problems within a CHRISTIAN prayer pathway to GOD**

... *A personal testimony* ...

I myself was destined to be a Christian of some type or other from the start. I was among five children born to fervent Catholic parents. Throughout my 1950’s teenage secondary education, I was trained for the Catholic priesthood.

In those days I attended chapel ( church ) for between one to three hours every day . Daily too, I ate the “ *holy communion* ” bread during the celebration of its “ *holy mass* ”. During the course of this daily “ *holy mass* ” I also recited the “ *Holy Rosary* ” prayers which incorporated the following collection of *mindlessly gabbled* recitations.

1. the recitation in Latin of the “*Hail Mary prayer*” 53 times.
2. the recitation in Latin of the “*Our Father prayer*” 7 times.
3. the recitation in Latin of the “*Glory be to the Father praye* ” 7 times.

For the duration of my secondary education no-one ever pointed out to me that this *Holy Rosary* collection of prayer gabblings was blasphemously dedicated quite away from the Biblical YAHWEH and JESUS and the HOLY SPIRIT and towards a distinctly ‘newer’ Roman Catholic GODDESS called *Mary*. The existence and veneration of this goddess had been historically mandated by a committee of advisers to a Catholic Pope some 1,500 years

after the death of JESUS on the cross. I was later to learn also that this goddess called *Mary* was one of some 10,000 gods and goddesses created over the centuries by the Catholic church but (politically?) renamed as “saints”.

*All my prayers* during the course of my secondary education were recited in the ancient religious language known globally today as *Latin*. Yet even in the 1950s, Latin had already become a functionally *dead* language many centuries before, with its conversion into the modern languages of Italian, Spanish, French and Portuguese.

In this 1950s education for the (Christian?) Catholic priesthood I was also required to study and pass examinations in a second ancient and dead language known today as *Ancient Greek*.

### ... *The sheer craziness of this teaching* ...

Throughout my secondary education all my prayers in a dead language served mainly to prevent all *personal and two way communication* with the GOD in my head.

### ... *My initial escape*...

By my late teens, the extremes of this *Catholic* life of prayer finally struck home to a core of common sense that had managed to survive its vacuous stupidity and dogma. So at that time (in order to help me recover from the doctrinal *guilt complexes* of my Catholicism) I decided to become a *Protestant*. But in the long run, even the Protestant attitude to prayer (whilst significantly less destructive than the Catholic attitude) did not manage to teach me anything at all about the unconditional *loving reality* of the GOD who had actually heard (with *love*) every WORD that my brain had ever produced. So I stopped being a Protestant too.

### ... *My godless period* ...

As a result, I lost all belief that I should try to communicate with my ‘GOD’. I even developed a *smart arse* attitude to the very existence of my ‘GOD’ ... quite frequently boasting that if “*I wasn’t around before I began then I certainly wasn’t going to be around after I was dead.*” And all my church meetings and joint prayers at that time were discontinued.

This attitude was not to last forever. My marriage at the age of 30 lasted for only 15 years and produced two children. Then the inevitable and godless *‘shit test’* hit the proverbial fan in my life: my wife fell in love with another female and moved out of the home with our two children. This event initially paralysed every corner of my emotional makeup. For a brief time I became as blindly furious as I was bereft. I seriously pondered all of the “reasonable alternative solutions” to this marital treachery ... including the alternative of buying of a gun and shooting the pair of them. But this attitude didn’t last long either.

### ... *GOD led me to His other alternative* ...

With the murder of the two females dismissed as a “workable” solution I had simply no option but to learn how to actually *pray* again and this is precisely what I set out to do. And then truly odd ... and truly *spiritual* things ... really *did* happen to me. Frequent night time visions, often of future events in my life, began at that time and continue to this day.

My thinking of that day returned with renewed vigor to Christianity. At the start, I visited mainly “born again” Christian groups and enthusiastically prayed out loud to heal people. And some of these were actually healed! But the prevailing “elders” in some of these church groups often disapproved, with a number of them actually accusing me of being “led by demon spirits”. It wasn’t long under the influence of accusations like this that I gave up even trying to participate in my worship of *‘their’* GOD with them.

### ... So I became 'A Lone Ranger' Christian ...

But I still loved JESUS and YAHWEH his divine Father, with every fibre in my being: pretty much like Abraham and Moses had passionately loved YAHWEH ( without access to Bibles ) some thousands of years before. But the directed feelings of suspicion and accusation from within Christian groups at that time drove me to withdraw myself from all forms of *churchified judgementalism*.

Consequently: at around that time that I decisively converted into what was effectively a *Lone Ranger Christian*: I simply loved JESUS and our GOD and Father YAHWEH, and that was all that mattered to me. And this period in my life ( which continues to this day ) has been punctuated ever since by a large number of events that have amazed.

To necessarily shorten a truly long story I describe only five of these events here:

1. As a school crossing supervisor I prayed on a couple of mornings with a lady for her hospitalised husband. She later reported that all medical trace of her husband's lesion had simply *disappeared*.
2. Over the phone I prayed against *demons* in a young man and commanded them to *leave* him in the Name of JESUS. Within 48 hours his family members as well as ex-girlfriend had phoned me to ask what on earth I had done to enable him to instantly change so much.
3. I often leave my home to play the classical guitar in an amateur way and sing "in the Spirit". I was once overheard singing in an *Australian forest* by a member of Australia's overseas Broadcasting Commission. Within about four weeks my Christian songs when '*sung in the Spirit*' were broadcast over *China*.
4. I have seen *Satan* personally in broad daylight.
5. On another occasion I also saw a demon at *the same time as my companion saw it*.

Miracles do happen ( though perhaps too rarely ) when we truly believe in the *love* of the GOD who built the brain that each of us thinks with. I currently hold to the belief that if any *modern Christian church* is not talking excitedly about *recent* miracles ( of especially healing and spiritual deliverance ) within its congregation, then it has probably *not yet graduated* as a 'Christian' church. And *all* such churches probably need to pray ( and fast too ) significantly more or differently.

### **C: Problems within the MUSLIM prayer pathway to GOD**

Two of the world's foremost secular specialists on the subject of global Islam are **HARRY RICHARDSON AND BILL WARNER**.

In 570 C.E. Mohammed (the Muslim prophet) was born into the Arabic nobility of a town called Mecca in what is now Saudi Arabia. This nobility was known as the *Quraysh*. The main GOD of the *Quraysh* was called *Allah* who is believed by many to have been their moon GOD. Hence the crescent moon on top of mosques globally.

There were no books written in Arabic at that time so the religion of the *Quraysh* was passed on by word of mouth. The main account of Mohammed's life was called the *Sirat Rasul Allah* ( The Story of the Prophet of Allah ) and was written 100 years after his death.

Mohammed's *prayer book* is referred to as the *Quran* which in English is alternatively spelt as the *Koran*. Mohammed taught that the prayers in this *Quran/Koran* were given to him by an *angel* of the *Quraysh* tribal (moon?) GOD whose name was *Gabriel*.

Mohammed also taught that the foundational Biblical identities that our entire planet knows as *Abraham*, *Moses* and *Jesus* were all *Muslims* . . . But it's only the unique *prayer style* that Muslims use with their *Quran* that is of critical relevance to us in this current discussion.

The *Quran* presents only around 18% of Mohammed's teachings but it contains all of the *mandatory prayers* for Muslims, and it is currently written in a form of virtually incomprehensible Arabic that was spoken 1300 years ago.

Only 20% of the nearly one billion Muslims in the world communicate in *modern* Arabic, and very few indeed have studied sufficiently to be able to communicate in the now ancient Arabic that was spoken by Mohammed.

Despite this, for the purpose of *praying* to their GOD (even in the 21<sup>st</sup> century) all Muslims are required to *memorise* their prayers from Mohammed's *Quran* which contains **77,797** words in ancient Arabic. The idea of an intimate and *shared language* of basic communication between most Muslims and *Allah* is not promoted by Islam. On the contrary, most students of the *Quran* are sternly discouraged from asking about the *meaning* of the Koranic prayers that they are committing to memory.

This stern discouragement of modern *Quran* students does not surprise any person who is not a Muslim. The *Quran* actually contains as many as **225** distinct and contradictory "*abrogations*". These contradictory abrogations were reportedly *also* dictated to Mohammed by his 7<sup>th</sup> century "*angel adviser*" called *Gabriel*. This angelic adviser apparently stipulated at that time that the abrogations were to remain as the *forever* and *final* word of the (moon?) GOD who sent him. And modern day Islam categorically *forbids* the alteration of even a single word of its *Koran/Quran*.

## **18. YOUR OWN GOD HOWEVER . . . IS . . . FOREVER IN YOUR HEAD WITH YOU AND WITH ALL OF HIS ANGELS ALL OF THE TIME**

Wherever GOD is, His angels too are with Him and this *all* of the time. No other view or theory on the *precise whereabouts* of both GOD and His angels makes any sense at all. However, none of humankind's three Abrahamic religions currently choose to emphasize this most fundamental *spiritual* reality that underpins the design and construction of the brain that is in every human head.

Christian scripture declares "In the Beginning was the WORD and the WORD was with GOD and GOD was the WORD." It also declares that GOD is/was the "Alpha and the Omega." or in Aramaic "the Aleph and the Tav."

And these two simple declarations neatly summarise that GOD is actually the FIRST word ever spoken by humankind and the LAST word too. There has never been a clearer way than these two Scriptures to summarise the *ultimate truth* that GOD alone has been the ever present spiritual *powerhouse* that has underpinned *every* word ever spoken.

- (1) The GOD in your head is your very own eternal *spiritual* reality . . .
- (2) The HEAVEN in your head is your very own eternal *spiritual* reality . . .
- (3) The HELL in your head is your very own eternal *spiritual* reality . . .
- (4) The SATAN in your head is your very own eternal *spiritual* reality too.

And the GOD called YAHWEH in your head is the *absolute* truth and the *absolute* love and the *absolute* holiness too . . . who together with His divine Son JESUS . . . underpins the entire universe that *He/They* jointly created.

From the *scientific* standpoint alone you should never forget that both *you* and the concepts of both *distance* and *plurality* are merely functions of the existence of the **TIME** that *He/They* jointly created and indeed *continue* to maintain within you and around you every second of every day.

And *He/They* are ... and always have been ... *forever* on your side in your unceasing life long and persistent fight against the *ultimate spiritual stench* that the world's Abrahamic religions all refer to as **SATAN**.

## **19. SOME SIMPLE AND SHORT ... BUNKER PRAYERS ... FOR WHEN THE EVENTS IN YOUR LIFE GET TOUGH**

*Holy! Holy! Holy! Holy!*

*Lord YAHWEH Lord YAHWEH Lord YAHWEH Lord YAHWEH ...  
Lord JESUS Lord JESUS Lord JESUS Lord JESUS ...*

*I love You* with everything I've got.  
*I need You* with everything I've got.  
*I thank You* with everything I've got.  
*I beg You* with everything I've got.

*Please --- more than anything else --- release Your HOLY SPIRIT to teach me to --- PRAY.*

*LORD YAHWEH ... .. Omnipotent Elohim and the Eternal Word.*

*LORD JESUS ... .. Omnipotent Elohim and the Eternal Word made flesh who made the choice to die on the cross for me in order to give me eternal life.*

*SATAN! I rebuke and bind you in the NAME of the LORD JESUS before your Creator YAHWEH and before the entire assembly of their HOLY WAR ANGELS.*

*Two thousand years ago ... the sacrifice of the BLOOD of the LORD JESUS enabled the TRANSFER of HIS authority before His Elohim and Father YAHWEH to ME ... and accordingly ...*

*I now COMMAND you SATAN and every demon spirit under your authority.*

## **20. FROM THE BOOK OF REVELATION ( Chapter 3 : Verse 12 )**

*“ The one who is victorious I will make a pillar in the temple of my Elohim. Never again will they leave it. I will write on them the name of my Elohim and the name of the city of my Elohim, the new Jerusalem, which is coming down out of heaven from my Elohim; and I will also write on them my new name. ”*

*All the VICTORIES are ours in the name of JESUS before our Lord YAHWEH.*

## THE VIRTUAL PHONETICS™ PROGRAM

### A NEW DEVICE FOR ENGLISH LITERACY GLOBALLY

#### “ PHONETICALLY REGULAR ” WRITTEN ENGLISH ?

**This is not an impossibility ...** Read the **details** and judge for **yō**urself.

“ As a truly ignorant young teacher of English in the early 1960s, I got the idea ... at the beginning of the May school vacation ... that if I worked flat out on this project I'd actually finish it before school recommenced.

Nearly 60 years later ... I'm still working on it.

Until the arrival of the **VIRTUAL PHONETICS™** computer based app ... no-one had done much that was practical about 'new' pronunciation rules for English words. But following are some **vital** features of the **Virtual Phonetics™** program :

**Simplicity wise ...** the app currently involves only a **1 MG** or **55 MG** program.

**Availability wise ...** the app is now **ready** for digital download.

**Money wise ...** the app is **very cheap indeed** at a cost of probably **cents** per student.

**And WITHOUT changing the spellings** of any English words, the app reduces the number of English '**sounding out rules**' or '**pronunciation rules**' by **83% !**

#### THIS IS HOW THE APP WORKS ON **HIGHLIGHTED** TEXTS

The **10** marks of the app's "**phonetic English**" script **reduçe** the complexity of **our English** '**sounding out**' or '**spelling**' **rule** system **down** from **near 360** **rules** to **60** and **this without changing** the spelling of the **wôrdş**.

The app is **based** upon a (diacritical marking) **methoð** for the **teaching** of **basic reading** **that ...** at its very **basics ... almost çertainly first** **originated with** the **teaching** of **Hebrew** in the **time** of **Moşeş** **some 3,400** **yearş** ago.

## Luke 1

11 An angel of Master YAHWEH appeared to him, standing on the right side of the altar of incense. . 15 For he will be great in the sight of Master YAHWEH, and he will drink no wine nor strong drink. He will be filled with the Holy Spirit, even from his mother's womb. 16 He will turn many of the children of Işrael to Master YAHWEH, their Elohim. 17 He will go before him in the spirit and power of Elijah, to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to prepare a people prepared for Master YAHWEH.”

46 Mary said, “My soul magnifies Master YAHWEH. 47 My spirit has rejoiced in Elohim my Savior, 56 Mary stayed with her about three months, and then returned to her house. 57 Now the time that Elizabeth should give birth was fulfilled, and she gave birth to a son

## John 1

1 In the beginning was the Word, and the Word was with Elohim, and Elohim was that Word.

22 They said therefore to him, “Who are you? Give us an answer to take back to those who sent us. What do you say about yourself?”

23 He said, “I am the voice of one crying in the wilderness, 'Make straight the way of the Master YAHWEH, as Işaiah the prophet said.”

### 3 John

5 Beloved, you do a faithful work in whatever you accomplish for those who are brothers and strangers. 6 They have testified about your love before the assembly. You will do well to send them forward on their journey in a way worthy of Elohim, 7 because for the sake of the Name YAHWEH they went out, taking nothing from the Gentiles. 8 We therefore ought to receive such, that we may be fellow workers for the truth.

### Revelation 1

8 “I am the Alpha and the Omega,” says the Master YAHWEH Elohim, “who is and who was and who is to come, the Almighty.”

10 I was in the Spirit on the day of our Master YAHWEH day, and I heard behind me a loud voice, like a trumpet

### Revelation 4

8 They have no rest day and night, saying, “Holy, holy, holy is the Master YAHWEH, the Almighty, who was and who is and who is to come!”

### Revelation 6

10 They cried with a loud voice, saying, “How long, Oh Master YAHWEH, the holy and true, until you judge and avenge our blood on those who dwell on the earth?”

### Revelation 11

16 The twenty-four elders, who sit on their thrones before Elohim’s throne, fell on their faces and worshiped Elohim, 17 saying: “We give you thanks, Oh Master YAHWEH, the Almighty.

### Revelation 14

13 I heard the voice from heaven saying, “Write, ‘Blessed are the dead who die in the Master YAHWEH from now on.’” “Yes,” says the Spirit, “that they may rest from their labors; for their works follow with them.”

### Revelation 18

8 Therefore in one day her plagues will come: death, mourning, and famine; and she will be utterly burned with fire; for our Master YAHWEH who has judged her is strong.

6 He said to me, “These words are faithful and true. Our Master YAHWEH of the spirits of the prophets sent his angel to show to his bondservants the things which must happen soon.”

## **A CALL FOR A NATIONWIDE ORGANISATION TO TAKE OVER AND PROMOTE THE ‘ VIRTUAL PHONETICS ’ SCRIPT**

The script that is produced by the **Virtual Phonetics** app was used to write the scriptures that feature in the following pages .It was trade marked as the VIRTUAL PHONETICS™ script in 1994. It is is the only script of its type in the world.

To date, the presentations of this app to various national authorities in English education globally have failed to impress. Few will seriously doubt however, that **global school based literacy levels** will fall further under the influence of the continuing **COVID 19** pandemic. In this light especially, a national evaluation of this **almost ‘cost free’ app** seems warranted.

Both of the current forms of the app ... a **plug in** for MS Word and a **free standing** version ... will be downloadable from [www.anewcode.com](http://www.anewcode.com) which will likely be managed by the organisation ( hopefully a nationwide organisation somewhere in the world ) that takes control of its distribution.

### **“ PHONETIC ” WRITTEN ENGLISH : SUMMARY FEATURES**

Below are the **59** letter designs used by the phonetically regular written English text in the program. These **59** new ‘letters’, when combined with the silent (*smaller and slanted*) letters, make up the **60** sounding out ‘*rules*’ that are taught by the **Virtual Phonetics**™ script. This new script of **60** sounding out ‘*rules*’ replaces the well over **360** sounding-out ‘*rules*’ that all children have to learn on their way to normal adult reading skill.

The script does not change the **spelling** of any words yet it goes almost **99%** of the way in converting normal English words into ‘**phónetically regular**’ ones.

The app contains a total of 15,500 different words in its coded word bank.
